

Program:

Kitsilano Kids' Club is committed to providing a quality program that is fun! Staff works with families to establish programs and routines that meet the needs of all children and their families. We are currently following a child-oriented, play-based philosophy. This program is designed for children between the ages of 5 to 12 years old. We provide licensed morning & after school Kindercare program, early dismissal, and professional development daycare programming for 30 children.

Program content includes:

- Crafts and creative play
- Imaginative play
- Cooperative and active games
- Cooking and science exploration
- Story telling and quiet reading
- Sensory activities
- Skating, swimming and other sports
- Neighbourhood parks and play area
- Out trips to child oriented activities and special events in the lower mainland

Each day children are dropped off and picked up to and from school. Once at Kitsilano Kids' Club, they will be provided with healthy, nutritional afternoon snacks on all regular program days. All children will bring their own lunch on professional days and during winter & spring break periods. Kindercare children will also bring their lunch daily.

Co-operation, consideration and good sports-personship are emphasized and encouraged through individual and group interaction between participants and staff. We also encourage children to respect each other and other's property.

Staff:

Kitsilano Kids' Club staff are dedicated, experienced, responsible adults with lots of hands-on experience working with school age children. Our Kindercare staff are E.C.E trained (or equivalent) and have experience working with kindergarten children. Staff participates in professional development workshops and in-service training sessions. Each staff member has a valid first aid certificate, and has successfully completed a criminal record search through the Vancouver Police Department (volunteers and practicum students are also required to successfully complete a criminal record search).

Parent Involvement:

Area Served:
