

Corporate Good Neighbours 2023

Avison Young

Avison Young Commercial Real Estate Services celebrated their annual Day of Giving, a company-wide volunteer event that provides their staff with the opportunity to make a positive impact in local communities. This year marked a significant milestone, the 10th annual Day of Giving, where Avison Young joined forces with Sherwin Williams to restore and refurbish the Kits Neighborhood House facilities, leaving an indelible mark on our community.

An impressive team of eighty-five Avison Young volunteers came together to undertake a wide range of tasks at the Kits Neighborhood House property. Their efforts included rejuvenating the outdoor playground by replacing the ground cover, installing acoustic panels, and conducting thorough cleaning and refurbishing in the various program spaces. Sherwin Williams volunteers played a crucial role, overseeing various painting projects that included revitalizing the community hall, and adding a fresh and vibrant touch to this essential community space.

Congratulations to Avison Young on being chosen as the 2023 recipient of the Good Neighbours Corporate Award!
