

## 2024 KITS HOUSE ROOM RENTAL RATES

### Neighbourhood Small Grants Project Leaders

Westside Project Leaders receive a 65% reduction in room rental prices.

- 2 hour minimum required to book rooms at KNH. Different criteria apply for renting Community Hall
- **Add in \$30/hour for staff supervision if booking rooms on evenings and weekends.**  
*\*Paying this fee enables project leaders to secure reduced rate room rentals evenings and weekends without another rental happening at same time.*
- Project Leaders must complete a room rental contract and pay a refundable damage deposit. The damage deposit is refundable and so is not included in Project Leader's NSG budget.
- Seven-day cancellation notification is required if you are cancelling a booking
